# TSAS 5th - 12th

## creative learning camp

### • Sports Club

Designed to work on sportsmanship, character building, and FUN!

### • Fun on Ice

Students will learn how to ice skate.

### • Cooking

Students discover the creative and yummy process of cooking...and eating of course! YUM!

### • Action

Students will practice a choreographed action based story. To include props, makeup, and costumes.

### • Minecraft

Students will explore and create structures using Minecraft. Team and individual creations and contests!

### • Gaming

The gaming club is all about being social and playing games. Activities will include consoles, board games, and card games.

### • Tae Kwon Do

Tae Kwon Do/Martial Arts Blocks and Martial Arts Skills

### • Collin College Money Matters

Money Matters is designed to teach teens financial responsibility by learning how to manage checking accounts, creating budgets, saving and investments and paying for college.

### • Collin College Career Exploration Bootcamp

Students will discuss their goals, identify interests and strengths, research careers and learn how to connect education requirements with career paths.

### • UTD Gamemaker

This camp is all about Game development! You do not need to have programming background to attend this workshop. We will use GameMaker software in this camp.

### • UTD Web Page Design

Students will learn basic page building techniques for creating professional quality web sites.

**COST FOR THE CAMP IS**  
**\$1000**
